EXHIBITION PAVILIONS

Creation of exhibition pavilions for events of any complexity. Every project begins with a concept, detailing, zoning, and layout solutions. Then comes the magic: material selection, design supervision, content creation, and subsequent construction!

exhibition design

exhibition pavilion KPO petroleum operating for the “Taza Kazakhstan 2025” exhibition

exhibition design

exhibition pavilion KPO petroleum operating for the “RES Expo 2026” exhibition

full information about the project is available via this QR code

THE ANIMATED SERIES

THIS POSTER WAS CREATED TO FAMILIARIZE WITH THE CARTOON SERIES "NURLYBEK" AND IS PROTECTED BY COPYRIGHT. YOU CAN FIND OUT MORE ABOUT THE PROJECT ON THE SOCIAL NETWORKS OF ITS AUTHOR @MAKARIMOOV ON INSTAGRAM

BRAND MARKETING

Featured here is our work for construction companies. It is always a pleasure when such clients trust us with naming and logo design for residential complexes, as well as creating marketing materials. We always approach the execution of such projects with full responsibility!

identity / branding

the logo for the premium residential complex "ORTA" from Sensata Group, in Astana, Kazakhstan

QASIET

Turǵyn úi kesheni

identity / branding

the logo for the residential complex "Qasiet" from Sensata group, in Astana, Kazakhstan

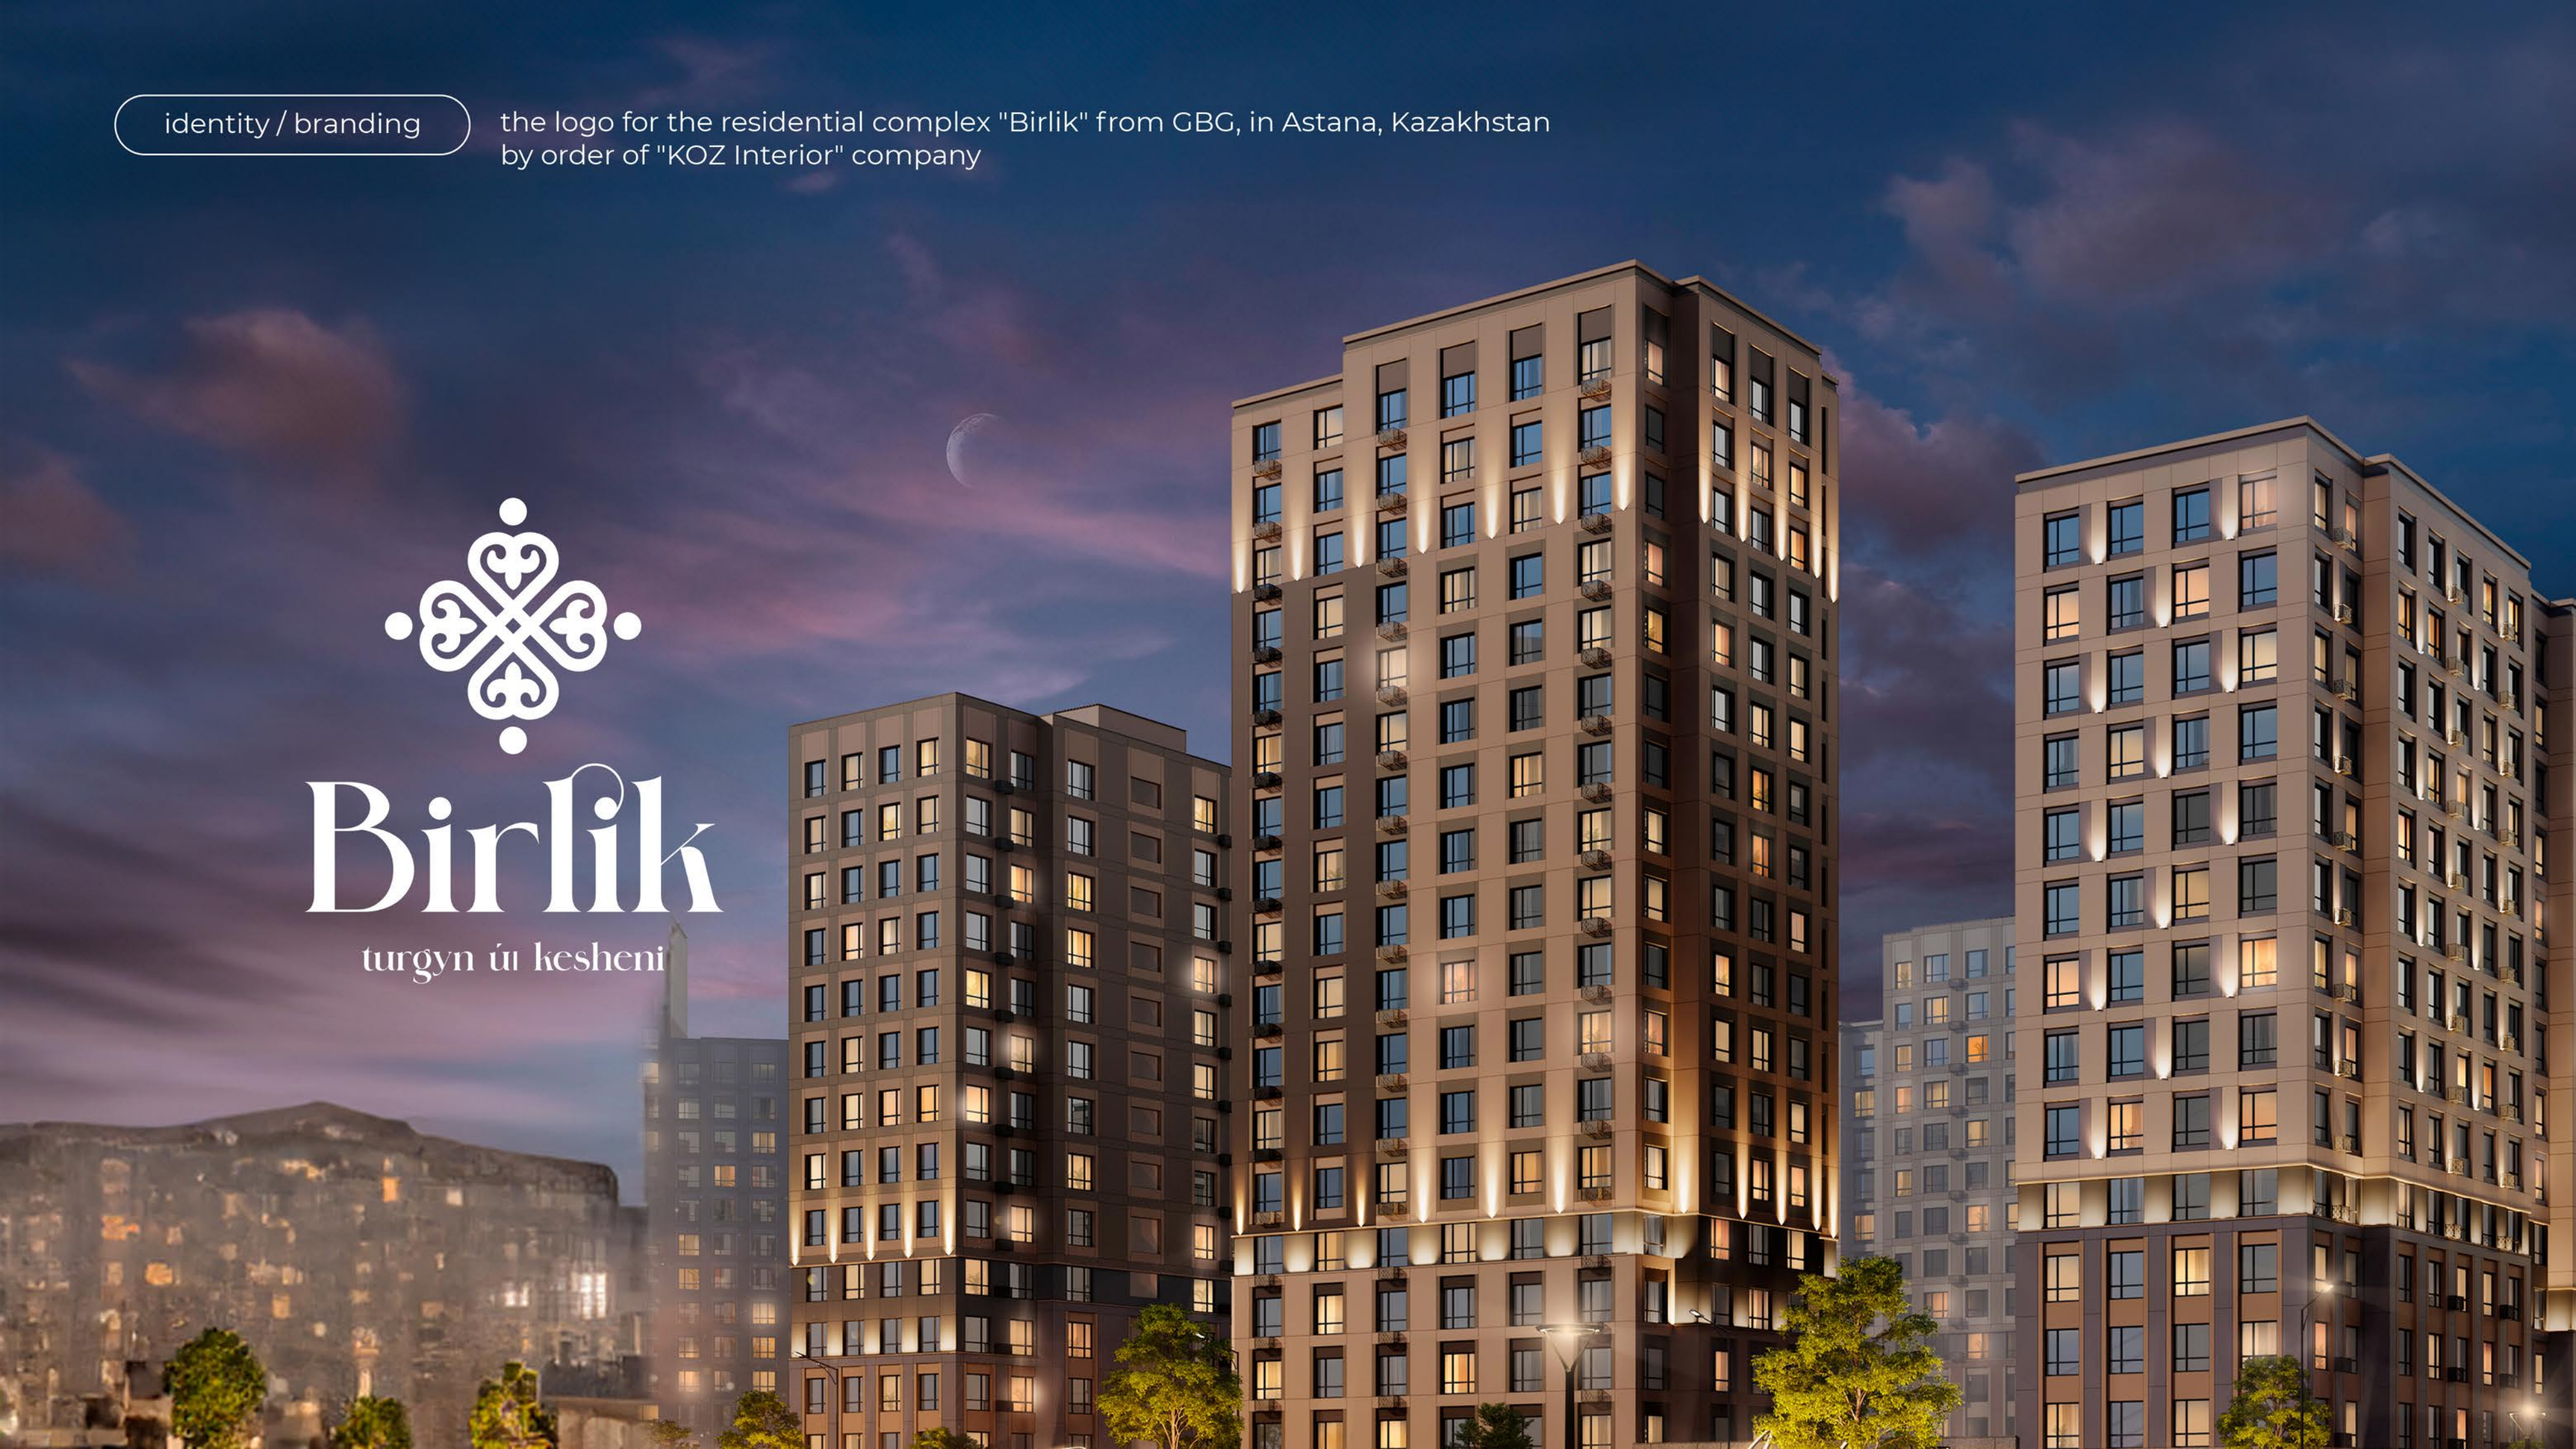
the logo for the residential complex "Birlik" from GBG, in Astana, Kazakhstan
by order of "KOZ Interior" company



identity / branding

the logo for the residential complex "Birlik" from GBG, in Astana, Kazakhstan
by order of "Meiso Bureau" company

presentation layout

promotional presentation of a residential complex for the Sensata Group construction company

I also made presentations on Sensata Group residential complexes such as Central Square, Qasiet, Orta, W-Towers, Manar, Kemenger, Saryn and many others.

presentation layout

promotional lifts for Sensata Group construction company

I also did lifts on such residential complexes from Sensata Group as:
Central Square, Qasiet, Orta, W-Towers, Manar, Kemenger, Saryn and many others

3D VISUALIZATION

Exterior and interior 3D visualization of any complexity. Render post-processing using Photoshop and AI-powered tools. With over 9 years of experience in architecture, we know that strong visualization is one of the key sales drivers for any project. We craft detailed, high-impact visuals that sell your properties.

architecture

the concept of a residential complex opposite the main mosque of Astana,
created jointly with Tortay Engineering CO

post-processing of 3D visualizations

individual housing in Almaty, Kazakhstan

post-processing of 3D visualizations

the concept of the archery Academy in Kazakhstan

post-processing of 3D visualizations

Japanese-style public space concept in Almaty, Kazakhstan

post-processing of 3D visualizations

the concept of a drama theater in the city of Konaev, Kazakhstan

post-processing of 3D visualizations

suspension pedestrian bridge in Oberfellach Austria

AI-GENERATED CONTENT

Many brands are actively shifting to AI-generated content. In turn, we strive to create realistic and cinematic images and videos for such projects that accurately reflect and convey the brand's mood. We are constantly improving, and our goal is to deliver top-quality content.
